## SECOND TERM: HALF-TERM EDITION 2025

### NURSERY SCHOOL REPORT

This term at the nursery school, we have taken an exciting journey through themes that help us understand ourselves and the world around us.

So far, we have explored my country, my family, my rural home, and community helpers. These themes sparked joyful learning as the children shared stories, asked questions, and discovered the beauty of who they are and where they come from.

It has been a meaningful time of learning and connection, and we have truly enjoyed seeing the children take part and share their own experiences!!!

## **SECOND TERM: HALF-TERM EDITION 2025**

### **ADMINISTRATION UPDATE**

We want to extend our heartfelt gratitude to all parents who have fully paid their school fees for the second term. Those on payment plans are encouraged to adhere to the agreed payment dates.

The winter uniforms are available for purchase in the administration office. We encourage all parents to ensure that students come to school warmly dressed to avoid cold-induced ailments.

Once again, thank you for your unwavering dedication to our school community. Enjoy the half-term break, and may it be a time of rest and renewal for all our students!

Warm Regards,

Ivy Tafireyi
