### Nursery school

This term has been a wonderful journey for us at the nursery school. We ended on a joyful high note as the children learnt about the meaning of Christmas – a theme that felt perfect for this season. Our little ones put on a beautiful Christmas concert about the shining Christmas star, and we were so proud to see the Boulders graduate with confidence and excitement. It has truly been a delightful and memorable term.

### Living Stones Day

We extend gratitude to all who supported and graced this special event. Pastor Mavesere reminded us of the culture and ethos of our school, while Pastor Gary shared the vision that guides our mission. Gogo Evelyn blessed us with a walk down memory lane, recalling our humble beginnings as a small playgroup (the “church mouse”) and celebrating the growth into today’s Living Stones Learning Centre. Truly, God has been faithful.

### Quiz Night

Our houses—Biblical Team, Matthew and Jesus' Followers—competed in a lively Bible quiz, joined by parents who enthusiastically tried to redeem their teams. It was a night of fellowship, learning, and fun, reminding us of the joy of studying God's Word together.

### Educational Trips

To enrich Heritage and Social Studies, Grades 4 and 5 explored Masvingo, visiting the Great Zimbabwe ruins, Kyle Dam, and enjoying game viewing. This experience deepened their understanding and independence. Meanwhile, Grades 6 and 7 toured the Zimbabwe Parliament and Gwebi Agricultural College, gaining valuable insights into governance and agriculture.

## Christmas Carols & Awards Ceremony

We concluded the year with a beautiful Carols Night and our annual Awards Ceremony. This celebration highlighted the diversity, talents, and multiple intelligences of our learners. Through song, recognition, and fellowship, we gave glory to God for the achievements of 2025. May this newsletter serve as a reminder of God's goodness and the vibrant community we share at Living Stones. We look forward to another year of growth, faith, and excellence in 2026!
