

**Dear Parent/Guardian**

## **The World of Reading**

Reading is one of the most beneficial, pleasurable and relaxing pastimes. Reading can never be replaced, even in this age of technology.

Our school theme this year is **B.E.A.R. (Be Excited About Reading)**. We are reading every day for 10 minutes. Everyone is reading from 10:50 a.m. to 11:00 a.m.; the teachers, the children, the administration and the grounds staff.

I am also reading during the above time. Signs are put up on the classroom doors stating **"DO NOT DISTURB – READING IN PROGRESS."**

We will be inviting authors to read their books to the children. You, the parent, will be invited to read to the children in their classrooms.

The children will also be visiting local public libraries, for example, the Mount Pleasant Library.

Please, I urge parents to read at home with your family for 10 minutes every day.

We will also be inviting booksellers to come to the school to sell their books.

## Reminder

During school pick and drop times please ensure to park your car in a single bay. Parents are encouraged not to stop in or block the driveway. When you are leaving your car, please remove your valuable bags, laptops etc. Securely lock your vehicle before leaving it. Living Stones Learning Centre will not be responsible for theft, loss or damage to vehicles or possessions.

## School Places for 2026/2027

We have places for the following grades in 2026 and 2027:

- Nursery
- Grade 0 "A" and "B"
- Grades 1, 2, 3, 4, 5, 6 and 7

If you have siblings, relatives or friends looking for the above places, they can come to the school and fill in the forms. Please note we have a lot of places available.

## Transfers

If you are transferring your son/daughter to another school, please adhere to the school policy which states that a **term's notice should be given formally**. This assists the school to plan.

## Change of Address, Telephone Numbers and E-mail Addresses

Please ensure that the school office is kept up to date of any changes.
